Fleetwood Place News

Welcome 2026 – Happy New Year!

What a wonderful year 2025 has been! As we welcome 2026, we are looking forward to another fun, meaningful, and memorable year here at **Fleetwood Place**.

We would like to take a moment to sincerely thank the many individuals and organizations who generously gave their time, donations, and talents to make this past month so special. Your kindness brought joy not only to our staff, but most importantly to our residents.

A very special thank you, as always, to **London Drugs – Guildford Town Centre**, and **Tevah Church** and to the families who chose Fleetwood Place to share their generous gifts with our residents. Your continued support means so much to us.

A heartfelt thank you to **Yves**, who joined us as Santa for our Santa Brunch with the daycare children it truly made the day magical.

Thank you to **Dogwood**, and **Coyote Creek Elementary School** for visiting us to sing Christmas carols and present a special card performance. Your energy and holiday spirit were greatly appreciated.

We would also like to recognize the **Youth Rising Group** for the beautiful artwork displayed in our front windows and sunroom your creativity brightened our space.

Thank you as well to **Keld Jensen**, who generously donated **\$300** to Fleetwood Place we are truly grateful for your support.

Looking ahead, we are excited to announce our upcoming **Resident and Food Council Meeting on January 20 at 10:30 a.m.** Our Dietitian, **Natalie**, along with our Food and Beverage Manager, **Sontaya**, will be sharing updates on upcoming menu plans for the next few months.

Families are invited to attend our **Family Meeting on January 28 at 3:00 p.m.**, led by our Site Leader, **Liesel**. If you're unable to attend in person, you may join via **Zoom or Microsoft Teams**—please let us know in advance for the link.

Thank you for being a valued part of the **Fleetwood Place** community. Wishing you a happy, healthy New Year!

Pia Dayleg - Recreation Director

**-Coyote Creek
Elementary**

-Cornerstone Benefit

-Tebah Church

**-BASTAS Program by Home
Instead**

**-Grade 8 Girls Basketball
team (Fleetwood High-
school)**

-Langley Volunteer Program

For after-hours visits,
please note that the front
door will be locked and you
will need to use the inter-
com. The main-floor staff
will let you in.

You only need to call once,
as the call is already re-
ceived. Please be patient, as
the staff may be assisting
residents and may not be
able to come to the nursing
station right away.

Thank you for your un-
derstanding and coopera-
tion.

- Jan 27 Jinnie L.

Important: Resident Safety

**Fleetwood Place Is
A Non Smoking
Community
Smoking Is To Be
30 Feet Away From
The Building**

Dear Family & Visitors,

We have many residents that have vulnerabilities compromising their daily activities. Please assist us keeping residents safe in their home during your visits to Fleetwood Place.

- **Do not give food or drinks to residents;** please enjoy your treats with your loved one but do not offer to others, residents may have allergies or swallowing issues that need to be monitored by staff, it can be unsafe for a resident to manage a hot beverage causing injury to themselves or others. Always ask for staff assistance.

- **Front Entrance; Always Wait For Gate or Front Door To Close**

The gate or front door must be securely closed before you proceed in or out of the building. We have resident's with cognitive decline, memory loss and/or may be seeking to exit outside that could lead to potential harm. We must keep all our loved ones safe in their home. Additionally be aware of residents on the elevator and securely close stairwell doors behind you. Always ask staff for assistance if you are unsure of a potential resident following you from the home unit.

- **Pet Visitors;** we are very happy to have you visit with your pets though we ask that you be mindful of the following:
 - * Not all residents like pets and may become nervous or agitated
 - * Pets must be on a shorter 6 foot leash, **flexi-leashes** are unsafe in this setting as longer leashes can cause a resident, staff or another visitor to fall
 - * Pets are not permitted in the dining rooms during meal times
 - * Pets are not permitted on top of the tables at all times, bring your own dishes
