

Fleetwood Place News

Dear Family & Visitors,

We are already in our second month of the year. Due to the cancellation of large events in December and early January, we had to reschedule some of our entertainers. Fortunately, they are happy to return, and we are pleased to share that many of them will be performing for us in the coming months. I would like to sincerely thank you for your understanding and continued support.

Thank you to all the families and friends who attended our recent family meeting, in person and online, and had the opportunity to meet the management team. We were excited to share upcoming events, news, and changes planned for the months ahead. If you are interested in chairing or co-chairing and being part of future family meetings, please let me know.

We are also happy to announce that our **Tuck Shop is back on Feb 1**. We will be selling toiletries and small treats for residents, including lotion, deodorant, toothbrushes, toothpaste, and body wash. This will help save families time, as we will do the shopping on your behalf. With your permission, purchases can be charged to the resident's comfort fund.

Thank you as well for the success of our garage sale. Since September, we have raised **\$968.15** and we look forward to resuming it again in the summer.

Thank you again for your continued support.

Warm regards,

Pia Dayleg , Recreation Director

BUS UPDATE

As of last fall , we no longer have access to our previous bus service due to changes in Morgan Place's operations. We are exploring a new Abbotsford transportation provider with excellent feedback. While the cost is about double, it would still allow us to enjoy scenic drives, dining outings, and special trips together

If you would like your loved one to continue participating in these outings, please let me know and send me an email at pia.dayleg@fleetwoodplace.ca or call me at 604-590-6860 ext.1119 so we can begin planning for the months ahead.
