## Fleetwood Place News

Dear Family and Friends,

Spring is just around the corner! With warmer weather approaching in the next few weeks, we are excited to welcome the new season.

For your information, **ActivityPro is our new software used to track residents' participation and attendance.** We are excited to share that the Family Portal is now set up, allowing family members to access this information. Through the portal, families can view their loved one's activity participation and the monthly activity calendar. Family members who are interested in using the portal are encouraged to reach out to us so we can assist with initiating their access .

**Thank you again to all the families who joined our meeting, both in person and online!** Just a reminder that our next Families' Monthly Meeting will be held on **March 25 from 3:00–4:00 PM.** Please let us know if you're interested in being the **Chairperson or Co-Chair.**

Beginning April 1, Care at Home will provide foot care services for \$45.00 per visit. Please complete the consent form at reception

If any family members or friends have extra exercise balls that are no longer being used, the Recreation Team would greatly appreciate your donation.

Pia Dayleg– Recreation Manager

The background of the poster is a vibrant, cartoon-style illustration of a spring landscape. At the top, a bright yellow sun with rays is in the upper right corner. The sky is a light blue, filled with white, fluffy clouds, several small birds in flight, and a large orange and black butterfly on the left. The bottom half of the image shows a lush green field with various flowers, including white daisies and orange poppies. A ladybug is visible on the left side of the field, and a dragonfly is on the right. A bee is flying near the bottom right. The overall scene is bright and cheerful, representing the spirit of spring.

## BUS UPDATE

As of last fall , we no longer have access to our previous bus service due to changes in Morgan Place's operations. We are exploring a new Abbotsford transportation provider with excellent feedback. While the cost is about double, it would still allow us to enjoy scenic drives, dining outings, and special trips together

If you would like your loved one to continue participating in these outings, please let me know and send me an email at [pia.dayleg@fleetwoodplace.ca](mailto:pia.dayleg@fleetwoodplace.ca) or call me at 604-590-6860 ext.1119 so we can begin planning for the months ahead.
