

Fleetwood Place News

Dear Family & Visitors,

Although we only had a few warm, sunny days in March, we are hopeful that April will bring nicer weather. We are also looking forward to our courtyard being completed and ready to enjoy as the weather improves.

We would like to extend a sincere thank you to our staff and residents who participated in our **Spring Spirit Week** activities in March your efforts are truly appreciated.

We are excited about the events planned for April. Residents will enjoy Easter hat decorating, as well as a fun Easter egg hunt with the children and residents. Please don't forget to sign up early for our Easter Brunch on April 8.

We will also be hosting a Welcome Tea for our new residents on April 9th this is a great opportunity to meet our community and team.

We are pleased to share that Adam, is from Health Arts Society's Concerts in Care program. will be entertaining us on April 16, and the Joyful Choir will be returning on April 20.

We would also like to thank everyone who joined our monthly Family Council meeting, whether in person or online. Your support and participation are greatly appreciated. We are currently looking for a chairperson to join the council, and we encourage anyone interested to reach out.

Additionally, thank you to the families who have signed up for the ActivityPro Family Portal. As mentioned, this is a great tool that allows you to stay connected and see what your loved ones are participating in through our recreation programs.

Lastly, we are happy to welcome a new entertainer, John K, who will be performing at one of our upcoming birthday celebrations.

Thank you all for your continued support—we look forward to a wonderful month ahead!

Warm regards,
Pia Dayleg –Recreation Manager

In The Sunroom

When bringing food, snacks, or drinks for your loved one, please ensure that they are consumed right away or stored properly afterward. This helps prevent attracting ants or mice in resident rooms and common areas.

Thank you for helping us keep our home clean, safe, and comfortable for everyone.
